

## **A Welcome View**

It's not often that we have the opportunity to put together an exhibition that celebrates both the wealth and diversity of Worcester's own art collection and the beauty and tranquillity of our county.

Whilst the challenges rage on around us we invite you to lose yourself for a moment and reflect on the wonderful views we think you might have been missing.

We offer our thanks to those that have worked tirelessly to keep Worcestershire going in these extraordinary times.

# Art Gallery – Entrance

David Cox (1783-1859)

## ***Found and Lost on the Moors***
