

# What a Picture!

## A Beginners Guide to Faces

Give our characters their missing features. Draw them on their faces below.

your mouth shape shows your mood

happy

sad

confused

thinking

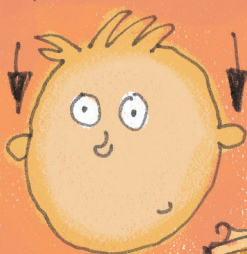

Your nose comes above your mouth and between your eyes

but not like this

your ears are about halfway down your head

What amazing ears!

give him eyes as big as saucers!

What a big nose!

A super-long neck

she has brilliant hearing

I have super-sight

"Choose a portrait and tell the person you're with how it makes you feel"

Strike the pose of one of the portraits "there's nothing to it!"

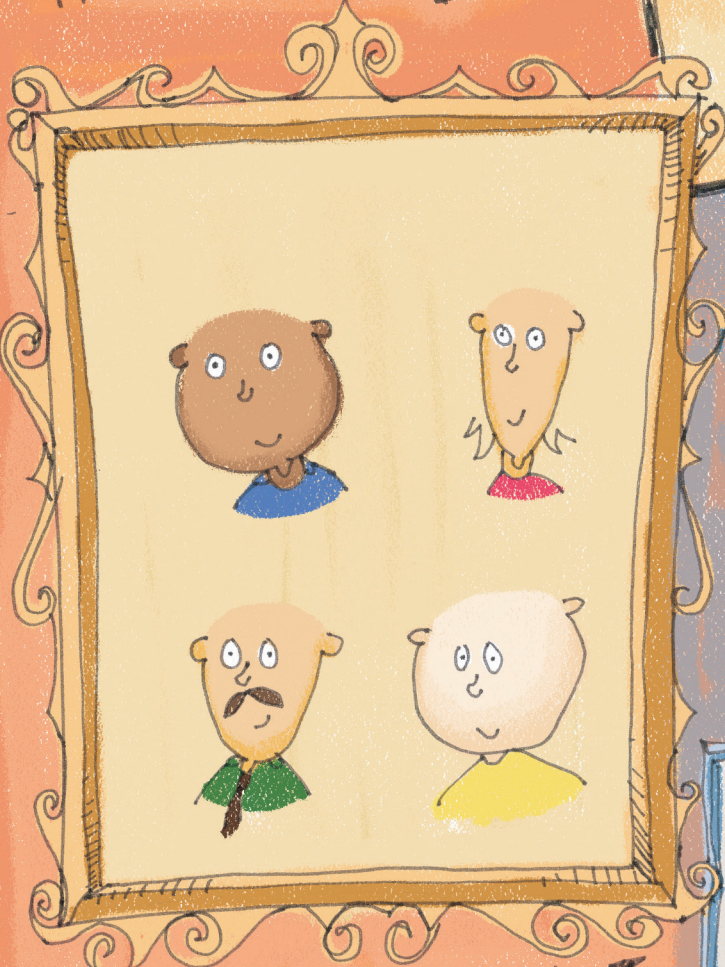

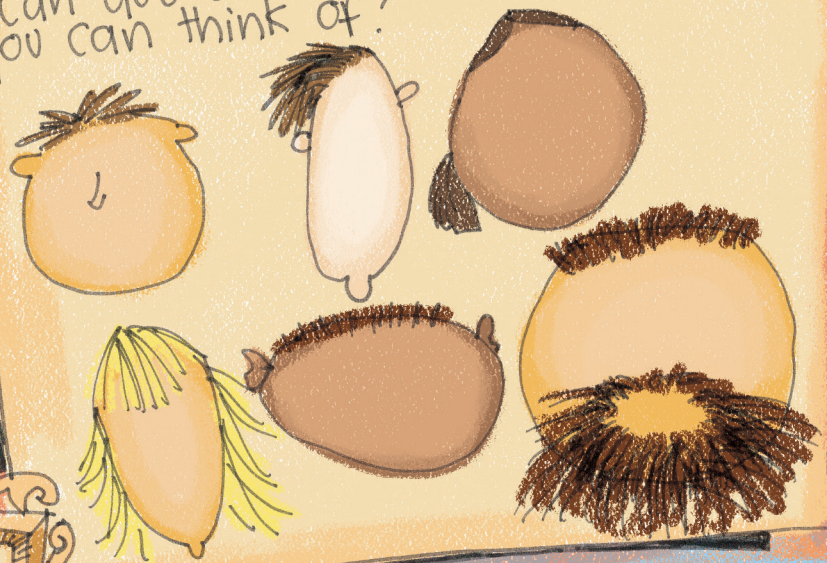

Find a painting that looks like someone you know!

Find a portrait that you like and draw yourself as that person in the frame above. ↑

**SMILE** please!  
can you draw any other expressions you can think of?

There are some freaky hairstyles in the portraits. Add some mad hair to the faces above
